Membership Kick-Off Extravaganza! at Houston Botanic Garden

In a blink of an eye, summer is over and a new SWE year is beginning! Invite friends & colleagues, as we kick off another exciting year for the Society of Women Engineers in

the Houston Area. Curious about what we do? Would you like to meet or reconnect with other members? Do you want to get more involved? This is the chance to do all that and more! Rain or shine!

Light beverages and breakfast appetizers will be served. We will be raffling five \$5 Starbucks gift cards to anyone who joins or renews their SWE membership and lists Houston Area Section as their section. After the event, members will get access to explore the Botanic Garden.

Date: Saturday, August 28th

Time: 10:00 AM to 12:00 PM

Price: Free

Location: Houston Botanic Garden, Petite Pavilion ([1 Botanic Lane, Houston, TX 77017](#))

Volunteer Opportunities

Want to connect with college students and inspire the next generation of engineers? Maybe you're obsessed with making cute insta posts? Does landing a client or donor get you excited?

We have several roles and positions open for volunteers to make this organization shine. After all, we can't do it without you.

Email secretary@houstonSWE.org with where your strengths and interests lie and we can get you connected with our team!

Partner Organizations

Power Luncheon "The 8th Wonder of the World"

Presenter Bio:

Beth Wiedower Jackson serves as the Executive Director of the Astrodome Conservancy, where she leads a team, in partnership with Harris County, in the preservation and redevelopment of the landmark "Eighth Wonder of the World," the Astrodome. She is an appointed member of the Houston Archeological and Historical Commission and supports multiple preservation and cultural organizations in her adopted home town. With more than 15 years experience in the field of historic and cultural heritage preservation, including more than a decade with the National Trust for Historic Preservation, Beth is a respected leader, frequent speaker, and published author on a variety of topics related to community engagement, economic development, and the value of cultural heritage.

Beth earned a Masters degree in Public History from the University of South Carolina and holds a Bachelor of Arts from Hendrix College. She is a native Arkansan living in Houston, Texas with her husband, Adam, and their two young children.
