I AM
WITH SWE

RENEW AND STAY CONNECTED TO A NETWORK OF 40,000+ WOMEN IN ENGINEERING AND TECHNOLOGY

SWE exists to ensure we have the back of each and every woman in engineering and technology. We want to continue to be your home for the community, connections, support, opportunities and inspiration you draw upon to further your career and personal journey.

HERE ARE THE TOP REASONS WHY WOMEN SAY THEY ARE WITH SWE.¹

- 1** To network and build professional relationships
- 2** To participate in volunteer and leadership opportunities
- 3** To access career and employment resources
- 4** To enhance their professional profile
- 5** To access professional development, education or training
