## SWE Houston Area Survey

The SWE-HA leadership team invites you to take a **survey** to help us plan for the upcoming year. We are conducting this survey for you! We want to know how best the Houston Area section can accommodate your reasons for joining, getting involved, and strengthening our section.

This survey will help us better serve our members by finding meeting locations closer to you; scheduling an assortment of SWE outings (professional, social, volunteering, etc.); and establishing committees to satisfy your interests (collegiate outreach, government policy and legislation; community involvement; etc.). It should only take 5-10 minutes to complete and all answers provided will be kept confidential.

Thank you for agreeing to take part in this important survey measuring areas of improvement for the Houston Area Society of Women Engineers. To show our appreciation, three participants will be randomly selected to receive a \$15 Starbucks gift card! If you're a winner, you'll be contacted by June 15th, 2019 via email.

### Congratulations to our President, Carolyn Cooper, for being on the HBJ 40 Under 40!

The Houston Business Journal (HBJ) is once again proud to announce the annual 40 Under 40 honorees. The Class of 2019 includes several founders, CEOs and other leaders of both for-profit companies and nonprofit organizations and at least one author.

The Houston community is home to numerous accomplished individuals under the age of 40, and this year HBJ received more than 500

nominations. To be considered, nominees had to reside in the 10-county Houston area and be under 40 years of age as of Dec. 31, 2018. A panel of judges from across industries scored the nominees on leadership, overcoming challenges and community involvement.

All of the 40 honorees will be recognized at an event on June 13 at Chapman & Kirby in East Downtown as well as in a special section of HBJ's June 14 weekly edition.
